

Fairfield County's Community Foundation – Barbara Benton Davis Fund *Helping Make Home Possible*

Homelessness is not a one size fits all model. Individuals enter the doors of our shelter from various starting points, some with jobs, some with nothing but the clothes on their back, but all have the same dream: to once again be home.

Fairfield County's Community Foundation (Barbara Benton Davis Fund) helps make home possible for so many of our clients. We are grateful for their renewed commitment of \$50,000 to our Housing Stability Fund and \$50,000 in general operating support this year.

FCCF's Barbara Benton Davis Fund plays a critical role in our Housing Stability Fund, which, in turn, helps families exit homelessness and move into permanent housing. Through access to the Housing Stability Fund, our families receive small subsidies for security deposits, down payments etc. These subsidies are highly impactful, allowing them to move from homelessness to safe, stable homes in the community. Without the support of FCCF's Barbara Benton David Fund, many of these families – particularly those in our Transitional Housing Program who are blocked from receiving many other sources of support – would be trapped in homelessness.

More than 60 families have benefitted from the Housing Stability Fund, and we look forward to placing more men, women and children into homes in the future.

THANK YOU FCCF and the Barbara Benton Davis Fund for your commitment to helping make home a reality for so many who would otherwise not have this unique opportunity. We are grateful for your belief in our mission and efforts to permanently break the cycle of homelessness. Together, we make a difference!
